Hi All

I thought some of you might like to have a go as they are using our rules
the picture says it all any queries contact Craig Jarrard (he's on Facebook)

Newsletter No110
Dated 20/09/2015

And here is the latest news

First off we say goodbye to two of our favourite landlords Leigh from the Green Dragon and Kevin from the Cuckoo Pint. We wish them both the best of luck with their future endeavours and thank them for their support over the past four and a half years

I can only presume it's because Leigh is leaving that the Green Dragon A team is moving on to pastures new. Starting this Thursday 24/09/15 the Green Dragon A will be playing at the Junction Tavern with a new name The Junction A. So just to make it clear the Junction Tavern will be hosts to two teams the Junction Tavern and the Junction A please clarify when posting scores.

On the point of posting scores we had a bit of a hiccup this week, please can all teams either post on Facebook or email scores@thealternatethursdaypool.co.uk only as texts tend to go adrift. Also can you please state the full name of the team you played, take the RAFA for instance they have four teams so posting Green Dragon 7 -2 RAFA can be confusing as there are two RAFA teams in Div 1 and neither of them are the RAFA, so from now on full team names when posting scores.

Tony has put the Singles and Doubles lists on the website can all Captains please check the list and confirm we have everyone because the draw will take place this Thursday 24/09/15 and no amendments will be made after then. I'm sorry if we have missed any players but we have had texts and emails from player and captains and we have had to try and sort through it all.

Thanks for listening
Karl

New Season

Hi and welcome one and all to a new season

First off a big thank you to all who attended the Captains Meeting we had more than half the league attended "best turnout yet". The topics discussed and responses are shown below.

- **The trophies that teams get for Winning and coming Runners up each season.**

The perpetual cups are a great idea but the individual trophies are a bit over the top, they are too big and too expensive. An idea would be to give out medals instead which could make joining the league cheaper.

RESPONSE: It was generally felt that the fees were acceptable and the trophies were good quality. Captains voted to leave as is.

- **Cup matches.**

These should be played at either team's venue and not at a neutral venue at least up to the semi finals. The main reason is not so much a home advantage but it would make it easier to sort out food and the blackout as some venue have failed to supply food at cup matches.

RESPONSE: It was agreed to change as follows:

Team/Plate matches would not be at neutral venues for earlier rounds, Quarter/Semi-finals will be at Neutral venues.

- **Start time.**

As some venues stop serving drinks at 23.00 and games more than often overrun, would it be possible to start matches earlier at maybe 20.30. This has come up before and was voted against but we revisited it.

RESPONSE: This has caused a few issues where matches have dragged on past closing time but once again the vote was against any change but matches can start earlier than 9pm if Captains agree on the night. Karl will email all captains to try to find out which venues are restricted to 11:00pm closing. No time like the present so could any team whose venue closes 2300 to 2320 please contact Karl.

- **The old question of inter league players**

RESPONSE: Once again the vote was against any change.

- **Food**

Far too many teams are cancelling matches last minute leaving the home venues with a cost they cannot recover. We can only monitor this if we are told about it. One idea is that we impose a fine but that will be difficult to enforce, however the fine can be added to the next season's sign on fee and if the team do not pay then they cannot join the league – What would we do with the money from fines; Charity, reimburse the home venues affected or League Funds?

RESPONSE: This was discussed at length, with a number of suggestions coming forward, agreement to implement the following:

If a team cannot attend they must forfeit, losing the match 5-0. Any team failing to turn up for a match without having given 48 hours' notice will be penalised 2 points.

In addition if no notice is given (48 hours), the team will be fined £10, deferred until next season. At the end of the season, all fines will be totalled and added to the sign on fee for the following season, all fines and sign on fees must be paid if those teams want to sign up for the next season. The fines will be use to reimburse venues "out of pocket" for No Shows

Summer 2016 sign on fees will include a £20 deposit which will be held in a pot to enable Venues to be reimbursed £10 for each instance referred to in item 1 above.

Please note; this is for league matches only Cup/Plate matches have to be rearranged

- **Speeding up the doubles**

The introduction of time limits to speed up doubles games would be very hard to implement. But we need to think of something as some games drag on, if any of you were at the doubles semis at the GPA one match took nearly as long as the three other matches.

RESPONSE: Once again the vote was against any change.

- **Refusal to re-arrange Cup/Plate matches**

RESPONSE: This was discussed at length, this is more of a problem in the Summer Season with fewer weeks and more players away on holidays, in some cases teams cannot reschedule. There were a number of suggestions with an agreement to implement the following:

The Committee will try to add in a spare week in the season to allow re-arranged matches to be played. Teams wanting to re-arrange matches must give sufficient notice (One Week) and their opponents must accommodate the request.

- **Teams not submitting results**

This was brought up after the meeting finished but needs to be highlighted.

There were 17 instances where results were not submitted by the home team, 11 of which were in divs 6 & 7. This has an impact on final positions, determining who goes up and who goes down. It only takes a minute to send scores through and whilst we accept that on the odd occasion captains forget to submit we need to address the issue. We will monitor all instances and contact teams with two or more instances; persistent failures may result in teams being barred from signing on in subsequent seasons.

The rules will be updated as soon as I can, hopefully tomorrow night (Monday)

Finals and Presentation Night

Held at the Duke of Connaught on Saturday the 5th

First off a big thank you to Phil and his team who made us all very welcome and laid on a lovely buffet. I feel most of who attended had a good evening although apparently raffling pool cues at a pool finals night is not everybody's idea of a good time, no matter how hard our Master of ceremonies Mr Winmill tried to jazz it up. So thoughts on what we could raffle at the next finals night (drink vouchers, cuddly toys or posh cue cases) any ideas are welcome.

Winners and Runners Up of the Divisions

<u>Division</u>	<u>Winners</u>	<u>Runners Up</u>
One	The Green Dragon A	The Wicor Mill
Two	HEDCA	The Junction Tavern
Three	The Stoke Pros	GDAC
Four	The Coach House	Queens Head B

Five	The Gosport Pool Arena	The DOC Club A
Six	White Horse A	Strawberry Fields
Seven	The Hoeford A	The Three Tuns A

The Doubles

<u>Divisions</u>	<u>Winners</u>	<u>Runners up</u>
One to Three	Chris Marshall & James Milne	Daz Thompson & Barry Miller
	Of the Queens Head A	Of the Green Dragon A
Four to Seven	Neil Cookson & Jason Boxall	Danny Ryan & Liam Eastman
	Of the Coach House	Of the GPA

The Plate

<u>Winners</u>	<u>Runners Up</u>
The Junction Tavern	The Friday Club A (White Hart B)

The Cup

<u>Winners</u>	<u>Runners Up</u>
----------------	-------------------

-----Still to be played-----

Hedca contacted the league after they won the Quarter Final match to say they could not make the Finals and Presentation night (Nick's Stag weekend). In hindsight the Committee should have contacted the Captains to ask what decision should be made but didn't do so at that stage and hoped that our league stars the Wicor Mill would come to the rescue, but HEDCA won through to earn their place in the Final. We then put it to the Captains who decided that the match should be played.

We accept that we made the wrong call by not informing all teams after the quarter finals and apologise to both teams for not handling this correctly but hope both teams can resolve this amicably.

New Winter Season

The Winter Season is up and running and we have already had a couple of no shows in the Cup/Plate match, the teams that didn't show up will be placed in the Plate the teams that were let down go through to the Cup

Please try to remember this is all about a game of pool, probably one of the most unpredictable games you can play, but that's what makes it fun. On the night with the roll of the balls champions are made and champions fall. The Wicor Mill our League Champions of the last eight seasons have finally relinquished the crown to worthy winners The Green Dragon A, but who knows, a frame either way and the story could have been so different. I'm sure the Wicor Mill will be in the hunt for the crown in this our fifth winter season (and they said it wouldn't last).

At this point I would like to thank all the people who have helped us over the years mostly in the background, venue Owners, Landlords, Landladies and their bar staff who allow us to invade their establishments. They provide delicious fare and tolerate what can be a rowdy bunch of guys and girls.

Without their support we would have nowhere to play this game that frustrates us to the point of madness (or is that just me).

Many Thanks to all,
Karl

Newsletter No108

Dated 31/08/2015

Hi Guys and Girls

Well we made it, we have sixty teams for the new Winter Season 2015/16 so I'm sorry the book as they say is closed. Unless a team drops out or fails to pay their sign-on fees we have no room for anymore teams. You could of course try to find nine other teams so we could make another division.

Captains Meeting

To be held on the 3rd of September at the Searles Club, only Captains or Vice Captains may attend as space will not allow for other team members.

Outstanding Fees

All payments must be made no later than the 3rd September (Captains meeting).

Team Lists

Those teams who have not yet submitted a team list must bring them along to the Captains Meeting.

Singles/Doubles

Any players who want to enter the singles or doubles competitions please send in your details; the cut off is the Captain's Meeting.

Winter Season

The format for the Winter Season will be the same as last year; six divisions of ten teams playing eighteen league matches with Cup/Plate, two singles and two doubles competitions.

Finals and Presentation Night – Saturday 5th September

All that's left is to remind you all Saturday the 5th is the Finals and Presentation night which is being held at the Duke of Connaught Club at 74 Western Road, Fareham, PO16 0NS

All league members are welcome

Newsletter No107

Dated 12/08/2015

Hi All

First off an apology to Kyle and the team of the George and Dragon for missing an email with their new players (Luke Smith and Jamie Green) on I have now updated the team list to show this. I would also like to thank the Young Guns and Dobbies Army for bringing this to my attention.

As the end of the season is approaching we must look forward to the upcoming 2015/16 Winter Season. In an effort to get more Captains to attend the Captains Meeting we have separated this from the Sign on Night

KEY DATES

- **The sign-on night** is on the Saturday 22/08/2015 and will be held at the Green Dragon in the lounge bar between 1900 and 2000.
- **Captains Meeting** is on the Thursday the 3rd at The Searles Club between 1900 and 2000. I would encourage all Captains (either Captains or their Vice Captains only please) to attend. We are holding it early so the Captains whose teams are still in the Cup and Plate can get to their matches before 2100.
- **The Summer Presentation and Finals night** is on the 5th of September at the Duke of Connaught Club which is at 74 Western Road, Fareham, PO16 0NS.
- **The New Winter Season** will begin on Thursday 10th of September.

TOPICS FOR DISCUSSION AT THE CAPTAINS MEETING

I have had some correspondence about topics for discussion at the Captains Meeting

- **The trophies that teams get for Winning and coming Runners up each season.**
The perpetual cups are a great idea but the individual trophies are a bit over the top, they are too big and too expensive. An idea would be to give out medals instead which could make joining the league cheaper.
- **Cup matches.**
These should be played at either team's venue and not at a neutral venue at least up to the semi finals. The main reason is not so much a home advantage but it would make it easier to sort out food and the blackout as some venue have failed to supply food at cup matches.
- **Start time.**
As some venues stop serving drinks at 23.00 and games more than often overrun, would it be possible to start matches earlier at maybe 20.30. This has come up before and was voted against but we can revisit it.

- **The old question of inter league players**

It was mentioned but this time it was to leave the rules as they stand.

- **Speeding up the doubles**

The introduction of time limits to speed up doubles games would be very hard to implement. But we need to think of something as some games drag on, if any of you were at the doubles semis at the GPA one match took nearly as long as the three other matches. One thought was no talking in any match singles or doubles this would definitely speed things up.

If anyone can think of anything else that needs to be discussed please email me as soon as possible and I will add it to the list.

Last thing can all teams who won trophies last summer (Winners and Runners-up) remember to return them on the sign-on night. Please remember all trophies must be cleaned and polished or fines will be imposed.(league rule 28)

Thanks for listening **The Committee**

Sorry one last thing when filling out the sign-on sheets can you fill them out using block capitals so I can read them and reproduce them on the team list without spelling mistakes. Thanks Karl

Newsletter No106

Dated 12/07/2015

Hi guys

I thought we'd play a little game to help with learning the rules because even after over four years we still get asked for clarification. So we have posed five questions based on our rules of play. Now this will only work if you don't cheat and look at the rules, I want what you think the answer is.

(Please note these have already been posted and debated on Facebook)

Question One.

We will start with a nice easy one. If an object ball (yellow, red or black) goes off the table where should it be replaced?

Question Two.

If while in control of the table one of the players own object balls just falls in a pocket. What would the referee call?

Question Three.

Your opponent fouls on the break so you have two shots. Unusually you miss your first shot, do you have to nominate your second shot?

Question Four.

What must happen to avoid a foul break if two object balls fail to hit a cushion?

Question Five.

*What happens if it your visit to the table with 2 shots and you pick the ball up to play from the baulk end?
thanks to Mr Rigby for this question*

Can Captain please print this off and ask your players the questions you will be surprised how many different answers you get.

Please post your answers on our Facebook page and I will post the correct answer next week

Newsletter No105

Dated 21/05/2015

Hi All

We asked the questions and the League has answered, well sort of.

Interleague Players

Of all the replies we received 68% were in favour of leaving things as they are, with a maximum of two County or Interleague players playing in each team on match night. The main reason given for not changing the rules was that it will only benefit a small minority of teams as most teams only want to play in our league. So our apologies to those teams who wanted the rule updated but for now the rule stands. My only advice to all teams and players who want to change any rule would be for you to canvas teams for support prior to the next Captains Meeting. I also suggest that more Captains' attend the meetings because as with this time if less than half turn up major rule changes cannot be dealt with.

Doubles - Time wasting

The question of doubles players taking time over their shots has created more queries than answers, such as; how long is too long? Should we have a set time or leave it to the referee? , can the Captains ask the ref to intervene? How many warnings? And the list goes on.

I can only give you my thoughts;

I feel that three minutes is long enough for a discussion over any shot as you only have a few options. After that the referee and only the referee should give a warning and insist the play continues. If the players continue to take their time over every shot then the referee should advise the player that they have three minutes for each shot and if they exceed three minutes then a foul will be called and two shots given.

Steve Winmill mentioned that if we are going to put time limits on doubles why not singles as well so as to standardise it. I see his point but most singles games are quick as there is no conversation.

So this one is still on hold for now if anyone feels they have any better ideas on how we should deal with this problem then please let us know.

Karl and the Committee

ps; can you now print off the updated versions of the rules to be kept at your venues as per the rules

Important News

Hi All

It is with a heavy heart that I have to inform you that Tony McConville's wife Bev passed away in the early hours of last Monday morning I'm sure you will all join me offering our condolences to Tony and his family.

I was going to put the scores on hold for at least a couple of weeks but Tony has said he will still sort them out (but please bear with him). Please keep sending them in on time and he will process them as quickly as he is able.

We thank you in advance for your patience and understanding at this sad and trying time.

Karl

Newsletter No 104

Dated 16/04/2015

Hi All

Well what a night. David, Lorna and their team did us proud so a very big thank-you to them. The only disappointment was that four teams had failed to turn up to collect their trophies.

That's enough moaning now on to the good stuff the winners on the night starting with the singles finals

Singles

Divisions 4-6

In a comprehensive victory taking only thirty five minutes to complete three frames the winner was Martin Day of the Stubbington Snooker Club B. We must still congratulate his valiant opponent Lee Watson of the Hoeford B making it to the final was a great achievement.

Divisions 1-3

In a hard fought battle between two teammates from the ever popular team HEDCA George Swannack came through to beat Andy Rigby three frames to two

Doubles

Divisions 4-6

The honours again went to Martin Day this time with his partner Paul Bennett who beat fellow teammates Jason Boxall and Neil Cookson in a three- nil victory (sorry Martin)

Divisions 1-3

The pairing of Jon Thornber and Pete Synott of HEDCA went two -one up but in a well played final two frames Mark Ashforth and Kev Brown of the Searles Club fought back to win five-two.

Team Plate Final

And now the highly anticipated Plate final between the very popular Green Dragon A who put on a brave fight, one frame lasting over thirty minutes, but were beaten by the team who have had a great first season in the winter league everybody's favourite HEDCA.

The "Sanders Pool Table Hire" Cup Final

This match went the full nine frames with the Stubbington Snooker Club 'A' going in to a four-two lead just needing one frame to win. But staring defeat in the face the White Hart 'A' dug deep and snatched victory winning the last three frames. This was a great achievement in itself but when you consider they have also become the first team to win it two years running it becomes truly amazing.

A hearty congratulations to all our winners and runners up who have fought hard through the season.

Divisions Trophies

Division	Wicors	Runners Up
1	Wicor Mill	The Green Dragon 'A'
2	Village Home	The Junction Tavern
3	CA	The Stoke Pros
4	Wington Snooker Club 'B'	LHSSC
5	Cuckoo Pint	The White Hart 'B'
6	Eagle	The Hoeford 'B'

Some of these results are amazing:

Starting with the Wicor Mill making it four years at the top on the trot, followed closely by the Green Dragon 'A' who made it two years running this year.

The Village Home up from division three last year to win division two and The Junction Tavern who also came up from division three last year both will be in the top division next year.

Now to division three in their first year in the winter league everybody's favourites the HEDCA smash their way to the top with a hundred frame difference "amazing", with the Stoke Pros pulling themselves up from seventh last year to second this year.

In the bottom three divisions all the top places apart from one where taken by new teams to the Winter Season

Again a big well done to all our teams and thank you for making this League the league all teams want to play in

Notes from the Captains Meeting

State of Tables

It's been highlighted a lot this season, we discussed fining pubs and clubs for failing to comply but thought it would be hard to implement, we will write to all landlords asking them to ensure the high standard of the tables for all matches. It was decided that if any pub or club failed to maintain their table they would be excluded for competition matches even if their players are still in any of the competitions. If any venue does not resolve the problems then they could be excluded from the league. Clearly we do not want this to happen but it's up to the venues to bring their tables up to par.

If any team is not happy with their venues support they should let their feet do the talking and move venue.

Interleague Players

Another hot topic this season was Interleague players being different from County players. The main difference being that unlike County pool where you have to go to trials and be picked. Anybody can be an Interleague player and set up a team to play Interleague pool. As there were only a few of us at the Captains meeting the Committee thought as change of this rule would have to be put to all the Captains.

There were good arguments from both sides, the teams from the old league being in favour of having more County and Interleague players to nurture young players towards County level with 'Old Rules' supporters quite clear on the possible impacts of unrestricted County and Interleague teams.

Questions to the Captains

1. Do we treat Interleague players separately from County players.?
2. If we do treat them separately how many Interleague players should we allow in any one team?
3. Do we allow teams to have both County and Interleague and on top of the two County players how many Interleague can teams have?
4. Do we leave things as they are?

I understand their need to get the rules amended as they want to play in more than our league but the choice is down to your players

I will require replies by the 30/04/15

Trophies - General

This one is a bugbear for me; the state of the trophies when they are returned most are covered in dust and muck. So the Captains decided that any team that return any trophy not cleaned and polished will be fined £10.00 per trophy which will be added to their sign on fees. The fines will be donated to charity.

League Match Start Times

The captains agreed all matches must start at 21.00 so teams should attempt to be at venues for 20.45 to ensure all frames are completed before 23.20 when most pubs and clubs close.

Also on the length of matches the subject of time wasting by doubles players. We have all been there, the opposing pair spend ten minutes discussing the shot only for the player to either miss or not remember the second shot!

Proposed Rule Change

If the referee thinks players are taking too long he must first warn them and if they persist then he can put a one minute time limit, if they then go over the minute the ref must call a foul and give two shots.

I'll need votes on this one too please, in again by the 30/04/15.

New Players – Signing On

Rule amended - Summer Leagues only

It was agreed that players could be “signed on” on the night but only if they do not play for any other team. Captains must text Karl who will add the player to the team list. This should only be used as a last resort, every attempt must be made to sign players on a week before we will closely monitor this. Once on the list the player can be utilised for the rest of the season. This rule amendment will only be for the Summer Seasons, in the Winter Season the standard rules apply.

All rule changes apart from those requiring your votes have been updated or amended. Once the other rules have been voted on can Captains please insure they have an updated set of rules at their venues.

Thanks for listening
The Committee

Newsletter No 103

Dated 08/03/2015

Sign on and Captains Meeting on Saturday the 21/03/2015

All Captains are formally invited to attend the Captains Meeting which is to be held at the Searles Club Frankport Way, Fareham .

The meeting is only for Captains or their Vice Captain if they can't attend. League members who have a query or question to put to the league should inform their captain who can bring it up at the meeting.

19.00 - 19.45 Sign on – Teams and Doubles (There are no Singles during the summer season)

Please bring all Team lists and Doubles sheets

We will need all entries for both teams and doubles in on the night please as we will need to sort out the divisions and do the draw for the doubles in time for the start of the Summer Season. Delays at the start of last season meant that the draw was late.

The cost of joining the league for the upcoming Summer Season is £50.00 per team and £2.50 per pair in the doubles. Again please ensure you bring along your team list and doubles list both of which are downloadable from the website. Can all team who won perpetual trophies last year please bring them to the signing on.

Summer Season – Starts Thursday 9th April

Divisions

Due to time restraints we will be keeping to eight teams in each division again this Summer Season so if we stay around sixty teams we will have to introduce a seventh and possibly an eighth division.

Doubles

As it has worked so well the last two seasons the doubles will be split in to two competitions between the top and the bottom of the league. Obviously if there are six or eight divisions it's an easy split but if there are seven divisions then the split will be the top three divisions and the bottom four divisions. Again any pairing from the bottom of the league can play in the top half doubles draw but not the other way round.

We have updated the calendar on the website to show all the dates for the Summer Season including the dates for Cup, Plate and Doubles matches.

The rest of the news

We would like to congratulate all teams that made it to quarterfinals of the Cup and the Plate and wish the best of luck to the teams that won through to the Semi Finals. The Draw for the Semi Finals will take place on Thursday the 12th March and be on the website by the following Sunday.

The doubles finals have been decided, the finalist in divisions one to three are

Mark Ashforth / Kevin Brown of the Searles Club V Jon Thornber /Pete Synott of HEDCA

And in division four to six we have

Martin Day / Paul Bennett V Jason Boxall / Neil Cookson both from Stubbington Snooker 'B'

Best of luck to all

The single quarters and Semis are on Saturday the 14th of March results to follow

All teams that still have a postponed match to play must arrange them on or before the night of the Semi Finals (26/03/15) so we can finalise the tables and sort out the trophies in time for the Finals night. Make sure you send the results in so Tony can update the tables. If results are not received then the away team will automatically be awarded the match.

thanks for listening the Committee

Hi all

A quick announcement from Gregory Pritchard of the RAFA due to one of his teams disbanding at the end of the season. So he has asked me to put the word out if any team is looking for a new venue or if you're thinking of starting a new team and need somewhere to play where the tables are great and the beer is cheap then please contact Greg at the RAFA on 02392 580620 or email him for more information gregorypritchard1956@gmail.com

cheers Karl

Newsletter No 102

Dated 19/02/2015

Hi Everybody

Just to let you know both draws for the Singles and Doubles are on the website. Due to the fact that these games are to be played on a Saturday night we were hard pressed to find suitable venues. We normally split the matches between venues that have players still in the draw. But as most have entertainment on Saturday night we were struggling. We have managed to split the Doubles but have had to put all the singles at GPA. One important point these matches are to a final place and must be played on or before the dates specified no matches can be held over as we do not have the time.

One other point we are still looking for volunteers to be referees for finals night can you email me as soon as.

Thanks for your time

Karl and the Committee

Newsletter No 101

Dated 02/02/2015

Hi all

Finals and Presentation Venues

We received two requests to host the Finals and Presentation Evening and having visited both venues the Committee has decided to award the Winter Season evening to the Gosport Pool Arena and the Summer Season to the DOC Club.

Winter Season Finals and Presentation Evening

Dave has kindly opened his doors to us on Saturday the 4th of April 2015 this is a week later than shown on the fixtures lists. This is because the league has been approached by a number of players and teams asking us for a week off between seasons. To facilitate this we have added a week between the semi finals night and the finals night. There are two reasons for this, 1; if there are any postponed matches still to be played and 2; it gives me more time to sort out the trophies.

Itinerary

The doors will open at 18.30

The matches will start at 19.00

(The Cup & plates will be the normal 9 frames; the singles and doubles are the best of 5 frames)

The food will be available from 21.30

Match play permitting, the presentations will start between 22.30 and 23.00

There is a late bar until 01.00 with the club closing at 01.30

We are also going to attempt to play a pay to enter an American 9 Ball Speed Pool Competition; the table will open at 20.00. There will be a trophy for the winner and prize money for the fastest three times. We have asked Dave and the guys and girls from the Stoke Snooker Club to run this and the League will be making a donation to their charities.

Referee's

I'm on the hunt as we will require members of the league to volunteer to be Referees. Any player who is signed on this season can volunteer. All we ask is that you brush up on the rules prior to the finals night and you let me know your shirt size as I will be supplying polo shirts for all who volunteer up to a maximum of ten. Email me by the 15/02/15 as I will need to order the shirts and get them embroidered.

Just to remind all players in the league that the finals night is open to all members of the league and their partners even if your team or players did not make it to the finals. So come along and enjoy an evening of fun and intense competition.

Summer Season Finals and Presentation Evening

Many thanks to the DOC club for agreeing to host the evening in September, we will provide more details during the summer, we're sure it will be a great night.

Can all Captains print this off and show it to all your players

Thanks as always for listening

Karl and the Committee

News Flash

Dated 12/01/2015

Hi All

The Team formally known as the Separators which folded just before Christmas has been revived by the Landlord Fon and ex committee member Darran Harris.

The team now called the "Mavericks" is made up of some original Separator players and some new team members, the new team list is on the website.

So starting this week there will be no byes in Division Six and the Mavericks will take over the all the matches till the end of the season

The Committee
